

engagED Fall Forum sponsorships

Hosted by GSEC’s Competitiveness Council, the engagED Fall Forum will feature networking and panel discussions with national site selectors – the go-to counsel for global corporations when planning where to relocate or expand their operations. Attendees will learn how perceptions of the Greater Sacramento market influence what businesses and investments are brought here. Sponsoring the forum is an excellent opportunity to get your brand in front of decision-makers from the region’s top companies.
